TUE PRIVACY NOTICE

This Notice describes the personal information processing that will occur in connection with your submission of a TUE Application.

TYPES OF PERSONAL INFORMATION (PI)

- The information provided by you or your physician(s) on the TUE Application Form (including your name, date of birth, contact details, sport and discipline, the diagnosis, medication, and treatment relevant to your application);
- Supporting medical information and records provided by you or your physician(s); and
- Assessments and decisions on your TUE application by ADOs (including WADA) and their TUE Committees and other TUE experts, including communications with you and your physician(s), relevant ADOs or support personnel regarding your application.

PURPOSES & USE

Your PI will be used in order to process and evaluate the merits of your TUE application in accordance with the criteria's provided for in article 1, 10° of the Decree of 20 October 2011 on the fight against doping and in the International Standard for Therapeutic Use Exemptions. In some instances, your PI could also be used for other purposes in accordance with the World Anti-Doping Code (the Code), the International Standards, and the anti-doping rules of ADOs with authority to test you.

This includes:

- Results management, in the event of an adverse or atypical finding based on your sample(s) or your biological passport; and
- In rare cases, investigations, or related procedures in the context of a suspect Anti-Doping Rule Violation (ADRV).

TYPES OF RECIPIENTS

Your PI, including your medical or health information and records, may be shared with the following:

- ADO(s) responsible for making a decision to grant, reject, or recognize your TUE, as well as their delegated third parties (if any). The decision to grant or deny your TUE application will also be made available to ADOs with testing authority and/or results management authority over you;
- WADA authorized staff;
- Members of the TUE Committees (TUECs) of each relevant ADO and WADA; and
- Other independent medical, scientific or legal experts, if needed.

Note that due to the sensitivity of TUE information, only a limited number of ADO and WADA staff will receive access to your application. ADOs (including WADA) must handle your PI in accordance with the International Standard for the Protection of Privacy and Personal Information (ISPPPI). You may also consult ONAD Communauté française to obtain more details about the processing of your PI.

Your PI will also be uploaded to ADAMS by the ADO who receives your application so that it may be accessed by other ADOs and WADA as necessary for the purposes described above. ADAMS is hosted in Canada and is operated and managed by WADA. For details about ADAMS, and how WADA will process your PI, consult the ADAMS Privacy Policy ([ADAMS Privacy Policy](#)).

FAIR & LAWFUL PROCESSING

When you sign the Athlete Declaration, you are confirming that you have read and understood this TUE Privacy Notice. This signature also confirms your express consent to the PI processing described in this Notice. In any event, pursuant to article 10, 1st subparagraph of the Decree of 20 October 2011 on the fight against doping and to the Recital 112, of the regulation (eu) 2016/679 of the European Parliament and of the council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), the fight against doping is recognized as serving important reasons of public interest. These constitute, in and of themselves, a legal, legitimate and lawful basis for processing your PI in the manner and for the purposes described in this Notice.

RIGHTS

You have rights under the ISPPPI, including the right to a copy of your PI and to have your PI corrected, blocked or deleted in certain circumstances. You may also contact ONAD Communauté française, should you have any question or any request for precision, clarification, or rectification of your PI. Finally, you can also contact the Data Protection Authority.

PRIVACY AND SECURITY MEASURES AND PRINCIPLE OF PROPORTIONALITY

All the information contained in a TUE application, including the supporting medical information and records, and any other information related to the evaluation of a TUE request is handled in accordance with the strictest confidentiality, under the responsibility of a health professional. Pursuant to articles 8, § 4, 1st subparagraph, and 10, of the Decree of 20 October 2011 on the fight against doping, the physicians members of the Therapeutic Use Exemption's Committee (TUEC) guarantee both confidentiality and strict respect for the privacy of the athletes when processing TUE requests.

Pursuant to article 8, § 4, second subparagraph, of the Decree of 20 October 2011 abovementioned, if the TUEC requests the health or scientific experts' opinions, the information transmitted to these experts is made anonymous and is processed in the strictest confidentiality, under the responsibility of the members of the TUEC.

Finally, without any prejudice to the two preceding subparagraphs, and pursuant to article 10, subparagraph 5 of the Decree of 20 October 2011 abovementioned, and to article 3 of the execution's Decree of 21 October 2015 implementing the Decree of 20 October 2011 abovementioned, the PIs may only be communicated to the recipients referred to in the "Recipients" section, other than the TUEC physicians, to the extent strictly necessary for the purposes described in this notice.

RETENTION

Pursuant to Appendix 1 of the execution's Decree of 21 October 2015 implementing the Decree of 20 October 2011 abovementioned and to Appendix A of the ISPPPI, TUE certificates or rejection decisions will be retained for 10 years. TUE application forms and supplementary medical information will be retained for 12 months from the expiry of the TUE. Incomplete TUE applications will be retained for 12 months.
